**The mobile phone is the most important device in our lifetime.**

**Dotser's responsive websites empower Clients to reach as many people as possible, providing a simple user experience on mobile devices.**

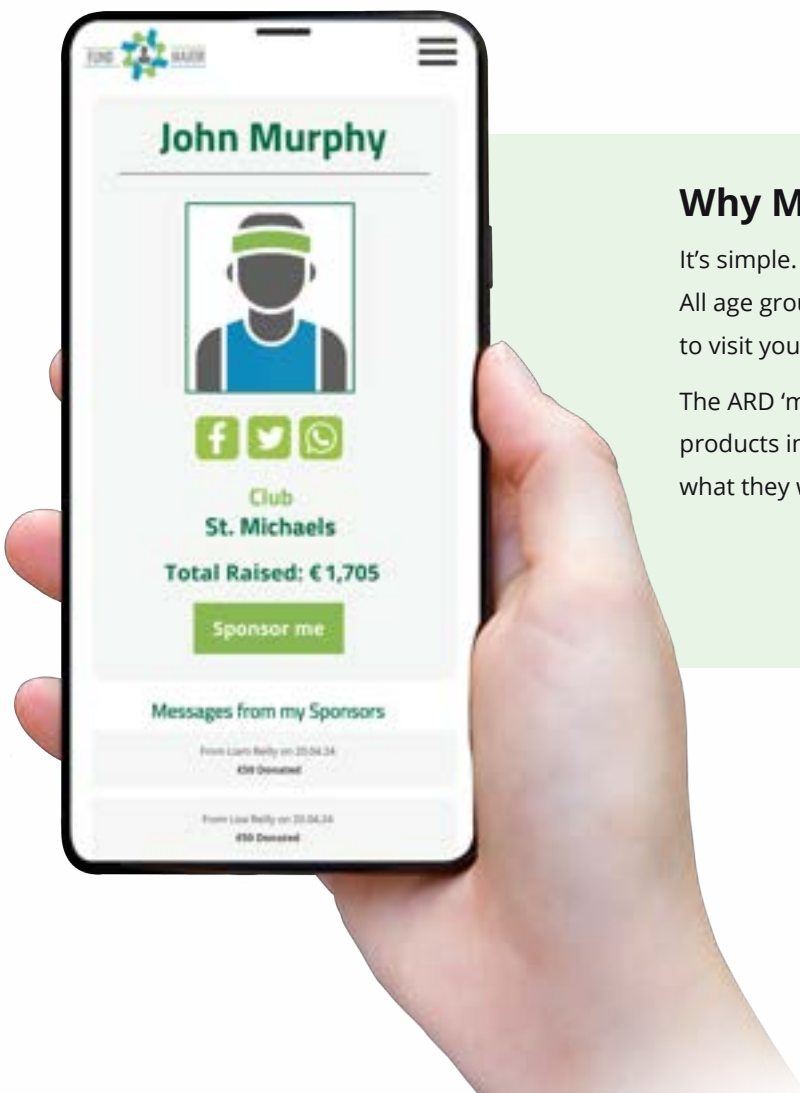

- Responsive website layout that adapts to your device
- Intuitive navigation on smartphones and tablet devices
- User-friendly interface and page layout

### Why Mobile Responsiveness?

It's simple. Everyone is viewing websites on their phones. All age groups are now routinely using their mobile devices to visit your business online.

The ARD 'mobile first' system presents your services and products in a simple way, allowing visitors to find exactly what they want, as quickly as possible.

## Enable secure online transactions with the facility to view & manage orders

- Submit online order to bank for payment verification and processing
- Email sent to buyer and sales team with order confirmation and detail
- Database of new and historical orders saved in central system
- Manage status of individual orders (*dispatched, delivered, create your own*)
- Integration with STRIPE
- Simple invoice receipt
- Customers can view order details and history
- SSL Certificate registration

## Multiple Payment Options

Allow customers choose how they want to pay - secure shopping cart with multi payment gateways.

Customers can pay for products and services using a secure shopping cart system and reputable payment gateways from leading payment providers.

## Enabling Secure Transactions

ARD work with Stripe software in order to accept payments and manage businesses online.

Whether you're looking to bill customers on a recurring basis, set up a marketplace, or simply accept payments, Stripe is the leading fully integrated, global platform that can support online payments.

## Secure & Server Databases

Cloud hosting and storage is a critical component of an effective online business and digital strategy. ARD's experience in providing a secure and resilient cloud infrastructure to host your business solution ensures your system is always online.

ARD uses a complete range of cloud storage services to support both application and archival compliance requirements and our partnership with world leaders in cloud technologies ensures we offer reliable, scalable, and secure solutions.

## Back up Policy

ARD has the ability to recover, restore and retrieve data that is lost/damaged/compromised to meet regulatory backup compliance requirements.
